Specifications

Location: Rhino Machinery
Stock Number: 579816

Condition: Used
Hitch Type: Pintle

Serial Number / VIN: 4500B1417HR077075
Hours: 2538

Description

Key Features:

- Air Output: 440 CFM at 100-150 PSI for high-performance air supply.
- Engine: 134 HP John Deere 4045HFC04, Tier 4 Final, turbocharged.
- Fuel Capacity: 52-gallon tank for extended job-site runtime.
- Pressure Control: Adjustable via the XC2003 controller for optimized use.
- Quiet Operation: 76 dB at 23 feet, reducing noise pollution.

Specifications:

- Compression Stages: Single-stage for reliable output.
- Operating Speed: 1,500 – 2,400 RPM for efficient air delivery.
- Service Valves: Two ¼" and one 1 ½" outlets for flexible connections.
- Max Ambient Temperature: 125°F for tough job-site conditions.
- Chassis: Single-axle trailer-mounted for easy mobility.
