

## 2019 DITCH WITCH C14 TRENCHER 579893

### Seller Information

#### Company

Rhino Machinery  
La Grange, TX

#### Retail Contact

Mike Virnau  
(979) 315-4995

### Specifications

**Location:** Rhino Machinery  
**Stock Number:** 579893  
**Shipping Width:** 31.5 inch

**Condition:** Used  
**Hours:** 613  
**Shipping Height:** 48 inch

**Serial Number / VIN:** DWPC14XXPJ0000186  
**Horsepower:** 13.5 horsepower  
**Shipping Length:** 84 inch

### Description

#### Key Features:

- Engine: 13.5 HP Briggs & Stratton 2100 Series, air-cooled, single-cylinder gas engine.
- Trench Depth: Up to 24 in deep and 6 in wide.
- Drive: Hydraulic direct drive for both ground and digging chain.
- Ground Speed: Up to 149 ft/min forward, 111 ft/min reverse.
- Ground Pressure: 4.5 psi for low impact on turf and surfaces.
- Weight: 1,191 lbs – lightweight for easier transport and maneuverability.

#### Design Highlights:

- Auger Size: 17 in diameter for efficient spoil removal.
- Offset Rear Tire Design: Exclusive patented feature for optimal weight distribution and traction.
- Pivoting Trail Wheel: Allows easier turning and smooth operation across rough terrain.
- No Daily Grease Points: Simplified maintenance and improved uptime.
- Sealed Bearings & Maintenance-Free Pivot: Built for durability with fewer service requirements.
- Trench Cleaner: Mechanical cleaner with 4–6 in size for clean trench results.
